SUBJECT: FY 2015 Year-End Closing Procedures and Processing Deadlines and FY 2016 Processing Dates

The following guidelines have been established to complete the current Fiscal Year 2015 business and begin business in the new Fiscal Year 2016. Please adhere to these dates in planning your needs. These dates are also summarized in the attached table for your reference.

I. PURCHASE REQUISITIONS

A. DEADLINES FOR FISCAL YEAR 2015 REQUISITIONS
a. Requisitions totaling more than or equal to $25,000, which require an Invitation to Bid, must be received in the Purchasing Office by 5:00 p.m. on Friday, July 10, 2015.
b. Requisitions totaling more than or equal to $5,000 but less than $25,000 which require a Request for Quotation, must be received in the Purchasing Office by 5:00 p.m. on Friday, July 24, 2015.
c. Requisitions totaling less than $5,000 must be received in the Purchasing Office by 5:00 p.m. on Friday, August 14, 2015.
d. Requisitions for items with an approved Sole Source Justification memo must be received in the Purchasing Office by 5:00 p.m. on Friday, August 14, 2015.
e. FY 2015 Direct Connect Requisitions may be processed through noon on Friday, August 28, 2015. Any FY 2015 Direct Connect Requisitions that are not budget checked and approved by noon on August 28 will be cancelled.

B. FISCAL YEAR 2016 REQUISITIONS
a. Requisitions for FY 2016 will be accepted starting at 8:00 a.m. Monday July 13, 2015.
b. All FY 2016 requisitions must reference September 1, 2015 as the requested delivery date at the earliest. No goods or services can be accepted for delivery until September 1, 2015.
c. FY 2016 requisitions on state, service or auxiliary fund groups require budgets in the 01-OTHER budget category. If no such budgets were established during the planning budget process, a project in an alternate fund group will need to be used. System constraints prevent FY 2016 budget adjustments and overrides until September 1, 2015.

d. No FY 2016 Direct Connect Requisitions can be processed until September 1, 2015 for our Direct Connect vendors. Any Direct Connect Requisitions processed at any date before September 1st will be processed as 2015 requisitions.

**Exceptions:** To ensure that daily research and clinical operations are not adversely impacted, we will accept FY 2015 requisitions for vital lab and clinical supplies until **Friday, August 14, 2015** with exception handling. For these orders, proceed in entering your requisition in PeopleSoft and save. However, you will not be able to budget check the requisition. Email PurchAdmin@uthscsa.edu with the requisition number and request an exception to the FY 2015 requisition deadline. Please indicate the justification for your request. Once your request is reviewed, the Purchasing Office will contact you and advise you how to proceed in finalizing your requisition.

Any other exceptions can only be made for true emergencies, which are defined as a reasonable unforeseen need that will cause either a financial loss or a life-threatening condition to the University environment. Requests for exception will be considered on a case-by-case basis and must be approved by Vikki Ross, Senior Director of Supply Chain Management, or Christelle Farias, Assistant Director of Purchasing.

*Please note that the PeopleSoft Financials menu options in the HSC portal will be unavailable beginning at 12:00 noon on Friday, August 28, 2015 and will NOT be available through Monday, August 31, 2015 so that year end processes can be completed.    A. JOURNAL ENTRY DEADLINE
      Data warehouse financial reports can be run at any time during the month to determine
      year-to-date activity. Departments should run departmental accounting ledgers to identify
      necessary adjustments and send requests for adjustments as soon as possible.
      a. Requests for non-salary adjustments or other journal entries related to FY 2015 activity for the period of September 2014 – July 2015 must be submitted to the Office of Accounting by Friday, August 21, 2015.

C. INVOICES PAID IN SEPTEMBER FOR FY 2015 COSTS
   a. The Accounting Office closely examines all bills and invoices received in the
      month of September, to determine if the related goods and services were delivered
      or performed in the old fiscal year. If so, in certain cases, Accounting records the
      related expense in the old year’s business. The Accounting Office is highly
      dependent on each Health Science Center department to assist with this effort.
   b. All departments are urged to forward all unpaid invoices to the Accounting
      Office for payment as early as possible in the month of September, along with
      the related Local/State Voucher and backup documentation. This will allow the
      Accounting Office to ensure that the payment is expensed in the correct fiscal year,
      and will help reduce potential errors for financial reporting purposes.
