Digital Marquee
Guidelines/Procedures for Use
Long Campus at UT Health Science Center

Purpose

The digital marquee is the “welcome sign” to The University of Texas Health Science Center at San Antonio. This electronic marquee supports the missions of the University by welcoming official guests and conveying other important announcements beneficial to HSC faculty, staff or students.

The electronic marquee also serves the needs of the University community by displaying weather and security alerts and other such important announcements. Messages not allowed include those personal, partisan, exclusionary or offensive in nature.

Procedure

All electronic marquee requests are submitted automatically through the online request form to the President’s Office:

1) A marquee request form is prepared which contains the message to be displayed. The message may have no more than 11 characters per line with a maximum of 3 lines.
2) The form is submitted through the online request form located here Marquee Request Form, preferably at least 10 working days prior to the event’s or announcement’s beginning date.
3) A representative from the President’s Office will send an email confirmation once the request is approved. If the request is denied, an email reply will be sent with an explanation.
4) Any exceptions to these procedures are reviewed by the VP of Communications and Chief of Staff.

For questions, please contact Janet Goebel at 567-2003 or Cindi Adcock at 567-2000 in the President’s Office.
