Guidance for Policy Committee

Elements of the Programs’ Moonlighting Policy

1. If no moonlighting at all: Just say “no moonlighting is our policy”.
2. If allowed: Indicate who can, and who can’t.
3. Suggest merely refer to UT policy—“all stipulations by UTHSCSA policy 6.4 will be met” would be fine.
   a. Otherwise, may include all elements of the long list of “following conditions” on page 2 of UT policy 6.4.
   b. Per the first element of that long list, moonlighting permission must be prospectively approved in writing.
