BLOOD ASSURANCE PROGRAM

Overview

Employees of the Health Science Center are eligible to join the Blood Assurance Program of the University Health System. For the donation of one pint of blood, the donor, his/her spouse, and dependents are covered for all blood needs for a year at any hospital in the United States. Employees may enroll at any time by contacting the Blood Bank at University Hospital. The Health Science Center, in cooperation with the University Hospital, holds semi-annual blood drives.
