

**UT HEALTH SAN ANTONIO HANDBOOK OF OPERATING PROCEDURES**

Chapter 5	Information Management & Services	Effective:	June 2000 (previously Policy 5.5.9)
Section 5.2	Infrastructure Solutions	Revised:	April 2017
<b>Policy 5.2.11</b>	<b>Lost or Stolen Communications Equipment</b>	Responsibility:	Vice President and Chief Information Officer

## **LOST OR STOLEN COMMUNICATIONS EQUIPMENT**

---

### **Policy**

Each department is responsible for the care of the communications equipment (e.g., telephones) in their care.

If any equipment is lost, stolen, or damaged due to abuse, a fee equal to the replacement cost of the equipment will be charged to the responsible department for its replacement.
