<b>Policy 5.4.1</b>	<b>Mission</b>	Responsibility:	Vice President and Chief Information Officer

## **MISSION**

---

### **Mission**

Educational Media Resources (EMR) provides professional quality media services to faculty, staff and students in support of education, patient care and research of the Health Science Center. EMR services include the following:

- Multimedia & Web Services provides interactive multimedia production, medical illustration, Web design/development and photographic services.
- Television Production Services provides standard and HD videography and post production, conceptual program development and CD/DVD duplication services.
- Printing Services provides a Copy Express/Plus service, a full service offset printing facility and manages the Health Science Center shared-use and department office copier services.

Additional information may be obtained by visiting our Web site at: <http://ims.uthscsa.edu/>
