

HEALTH SCIENCE CENTER HANDBOOK OF OPERATING PROCEDURES

Chapter 5	Information Management & Services	Effective:	June 2000
Section 5.4	Educational Media Resources	Revised:	March 2006
Policy 5.4.9	Photographic Services	Responsibility:	Vice President and Chief Information Officer

PHOTOGRAPHIC SERVICES

Responsibilities

Photographic Services provides photographic imaging services in support of the missions of the Health Science Center. The role of Photographic Services is to:

- Provide service in the areas of laboratory photography, biomedical and scientific photography, public relations and illustrative photography, and electronic photography.
 - Contribute to and be knowledgeable in current practices and new developments in photographic processes in order to function as an information and consultation service.
 - Work with faculty, staff, and students to assess current and future needs for photographic services and develop plans to meet the needs.
-
