RESPONSIBILITY

Overview

Materials Management oversees the Bookstore for the University. Barnes and Noble College, Inc. is contracted to manage the Bookstore. The Bookstore sells books, supplies, Health Science Center clothing, software, and equipment. It also provides related services such as ordering books for students, faculty, and staff that are not in stock. A 10% discount is extended to faculty and staff that carry an orange, green or blue Health Science Center badge. It must be presented at the time of purchase. Discount is allowed on all items except textbooks specifically used for a class, food items, health and beauty items, software, magazines and clearance items. Information about the Bookstore is available on the Health Science Center home page at http://www.uthscsa.edu/business/genservices.
