## **DEFENSIVE DRIVING**

---

### **Program**

Defensive driving programs are available at the following Web site: <http://www.safety-usa.com/> for Operators of University vehicles, faculty, staff, and students. The Web site charges a nominal fee.

Operators of University vehicles must attend, all others may use this training for insurance purposes. It does not serve as a means of Traffic Ticket Abatement.

Department fleet managers will schedule University vehicle operators for this on-line class within three (3) months of hire, and every three (3) years after. They will have attendance rosters available for the University fleet manager.

All others may visit the Web site as desired and submit the certificate to their insurance company.
