If you requesting an extension of a J-1 visa status of an Exchange Visitor currently in the U.S., the hosting department must submit a complete extension packet to the OIS at least 30 days prior to the end date of the DS-2019. If the Exchange Visitor has received Department of State approval for a waiver of the two-year home residency requirement, h/she is ineligible for an extension and should contact OIS with questions.

Kindly submit the complete J-1 Exchange Visitor application request packet with all the required forms and supporting documents either electronically (one large pdf) in one email to international@uthscsa.edu or in hard copies to the OIS in person or via campus mail. Please do not send the documents piecemeal. Due to the vast volume of paperwork that we handle, we strongly prefer that you submit all paperwork as a complete package.
