ECFMG, EVNet, and OIS

Presented by: The Office of International Services
EXCHANGE VISITOR NETWORK (EVNet)

- Online process launched by ECFMG in October 2011; TPL training for the new system began in December and continues

- Requires all participating programs (ex. UTHSCSA) to electronically enter information for continuing and new residents/clinical fellows

- All sponsorship applications *must* be initiated by TPLs (OIS staff) via the EVNet

- Paper sponsorship forms will no longer be accepted by the ECFMG
TRAINING PROGRAM LIAISON (TPL)

Definition per ECFMG:

...official representative to communicate with ECFMG about J-1 visa sponsorship. J-1 applicants must cooperate with the TPL to ensure submission of complete and accurate personal data to ECFMG about themselves and their J-2 dependents...

For UTHSCSA, Mr. Harlan L. Smith and Ms. Courtney M. Balderas are the designated TPLs
NEW APPLICATION PROCESS

1: The TPL creates and submits an online “appointment profile”

2: The Physician Applicant accepts the online appointment profile and completes the designated portion of the application in OASIS

3: The Physician Applicant pays the administrative fee online

4: The TPL submits all required documentation to ECFMG (ex: the items indicated on the applicant checklist)
PREVIOUS PAPER APPLICATION

***No Longer Accepted***
NEW FORM SETUP FOR EVNET

Welcome Courtney Balderas

Requirements of an Offer Letter

- Use Institutional Letterhead
- Use the Start and End Dates of the Training Year
- Indicate the Specialty or Subspecialty Program
- Indicate the PGY Training Level
- The Offer Letter must indicate if the Physician-in-Training is making normal academic progress or moving from a clinical to a research objective as part of the established training plan
- Include the Stipend Amount
- Signatures of both the Physician-in-Training and the Program Director
Requirements for the Statement of Need

- Must be from the applicant’s most recent country of legal permanent residence or citizenship
- Issued by the central office of the Ministry of Health
- Indicates the “need” for the specific clinical specialty/subspecialty in the Home Country
- Provides “written assurance” that the physician-in-training will/should return home
- English translation (if applicable)
- If the objective of the physician-in-training changes (ex: clinical to research), then a new Statement of Need will be required
CURRICULUM VITAE

- **All** medical education credentials must be listed
- Up-to-date chronology of professional activities, employment and location
- Current residential address and accurate contact information
