CRIMINAL BACKGROUND CHECK & DRUG TEST

- Acceptance is contingent upon completing and passing the required background check and drug test. Students should be advised that persons with certain types of criminal convictions may not be eligible for state licensure and/or national registry or certification. Concerned students should check with the respective department for further clarification. UT Health San Antonio is committed to providing a safe workplace for all employees, students, and patients. Accordingly, the School of Health Professions requires that all health professions students have a negative urine drug screen. All students will be required to provide a drug screening prior to matriculation and at other times as deemed necessary by the School or its clinical sites. All screenings are completed at the student’s expense. To complete the background check and drug test, go to mycb.castlebranch.com. In the “Place Order” field, enter the following code: TS83. The Office of Admissions will receive your results directly from Castle Branch. You do not need to submit the results.

IMMUNIZATIONS

- Admitted students must have their health providers confirm they have received appropriate immunizations before enrolling in classes at UT Health San Antonio. Students are required to maintain immunizations throughout the duration of the program. During the matriculation process, admitted students will receive an email to create a Sentry MD account. Immunization records may be uploaded via email to UTHSA@SentryMD.com or through the Secure Student Uploader at: https://mysentrymd.com/sentrymd.html#upload/71. Processing can take one to two business days. All questions regarding this process should be directed to SentryMD at UTHSA@SentryMD.com. A list of required immunizations can be found on our website at Required Immunizations.

TRANSCRIPTS

- Accepted students must submit official transcripts from every college or university attended to:
  UT Health San Antonio
  Office of the University Registrar
  7703 Floyd Curl Drive, MC 7702
  San Antonio, TX 78229
  registrars@uthscsa.edu

- CAS applicants must also submit all transcripts to the University Registrar to complete the matriculation process. This is in addition to the transcripts submitted to CAS.

- If you have a degree or courses in progress, you must submit official transcripts that show these as in progress. Once you complete the degree or courses, you will need to submit updated copies of your official transcripts to the University Registrar’s Office.

HEALTH INSURANCE

- The UT System Board of Regents requires that you maintain a valid major medical insurance policy while you are a registered student at the UT Health San Antonio. If you do not have your own policy, you will be automatically enrolled in a group plan selected by UT System. The premiums and rates vary by semester. Please contact the Bursar’s Office for more information on insurance requirements at Bursar4Students@uthscsa.edu. You will declare your insurance when you register for classes.
