

## SAFETY AND SECURITY

### Security

1. University Police are located adjacent to the School of Nursing. The police provide escort service to the surrounding hospitals in the early morning or late evening hours and assist motorists who have car trouble. Emergency phones, which have a direct line to the University Police, are located at intervals in the Health Science Center parking lots and have a blue light on the top of the pole for easy identification. This phone only has to be removed from the holder and the University Police will respond immediately. UTPD has established a mobile safe app the all faculty, staff and students are encouraged to download on to their phone. The UT Health Safe is a mobile app for students, staff, and faculty.
  - a. Receive important information like emergency notifications, timely warnings and other alerts.
  - b. Chat real-time with UT police dispatch
  - c. Suspicious activity can be reported to UT police through in-app reporting
  - d. Use the virtual Walkhome feature
  - e. Access campus and non-campus resources

2. Each main entry to HSC buildings is equipped with a camera and a card entry system. The entrance to the School of Nursing is provided with a security ID card reader. Faculty may gain access to the School of Nursing on a 24-hour/day basis by placing a valid HSC ID card up to the card reader. Simply hold next to the card reader and remove the card once the light turns green to gain access to the building after regular business hours.
3. **UT Police non-emergency number is 210-567-2800.**

### Motorist assistance

Motorist assistance is available on campus, free of charge. This service is available for vehicle lock-outs, dead batteries, flat tires and vehicles that have run out of fuel. For assistance call 210-567-2800, option 3, and a public safety officer will be dispatched to your location. Please note: Our officers will not change flat tires, but will assist you by filling the tire enough for you to drive to a repair shop.

### Fire Evacuation Plan

The School of Nursing has *one* rally point. All building occupants will evacuate to the rally point during an alarm

## SON FIRE ALARM PROCEDURES

1. **Treat every alarm as real!**
2. Walk, Don't Run
3. Use the **closest** available exit. Do not use the elevator.
4. Gather at the rally area
5. Once at the rally area, check-in with your Dept. Administrator or Instructor
6. Don't re-enter the building. Wait for instruction from UT Police or Safety.
