

TENANTS OF PROMOTION AND TENURE

Policies and procedures for faculty promotion and tenure are to improve the quality and effectiveness of the mission, at The University of Texas Health Science Center San Antonio School of Nursing by promoting the highest standards of excellence in scholarly teaching, research, service, and clinical pursuits. In order to promote such a standard of excellence, we believe that:

1. Faculty have a responsibility to determine the criteria upon which faculty will be evaluated and that criteria used for evaluation shall be congruent with those of The University of Texas Health Science Center and those required by the Board of Regents of The University of Texas (Regents' Rules and Regulations, Rule 31007; HOP Chap 3; 3.6.8).
2. The Dean receives in writing the recommendations along with the application packet from the School's Promotion, Tenure and Appointments Committee (PTAC) Chair. Functions and membership of the Promotion and Tenure Advisory Committee are described in the Faculty Handbook.
