Study Coordinators: Spread the word!

Join us for our next Study Coordinator **Help Session** on **February 20 at 2pm on Zoom**, where we will cover trending topics (2-2:30pm) and address your questions and concerns (2:30-3pm).

In our January session, we covered some of the nuances of submitting a Modification, learned how to use the “Compare” function, reviewed the color chart, and visited the IRB Library and Help Center.

In February, we will discuss **Proxies** and share our hack for getting the correct Proxies assigned *right from the start!* Join us on [Zoom](#). Click here to save to your calendar: [ERMS Help Session](#)
