- ✓ *Components of Grades: Quizzes, Tests, Presentations, Participation, Projects, Peer Evaluations*
- ✓ *Official GPAs are calculated at the end of the Pre-Clinical Curriculum, and at the end of the MS3 year.*
- ✓ *GPAs may be used for criteria on some leadership positions, AOA awards, and such.*
- ✓ *Rankings are done at the end of the MS3 year for the MSPE (Medical Student Performance Evaluations), but they are reported in the MSPE in quartile's, not the specific numbers.*
- ✓ *You only know your own GPA/rank.*
